Payment Policy Contract

The billing process and the mailing of statements is a very expensive process. We can all co-operate to keep the cost of your medical care under control. Patients are also responsible for co-payments or deductibles at the time of service. Not all services are a covered benefit. Some insurance companies arbitrarily select certain procedures they will not cover. Any collection fees, reasonable attorney fees, or returned check fees are the responsibility of the adult person(s) named on the account. An additional 30% will be added to your account in the event your account is turned over to a collection agency.

In addition, I assign directly over to Bryan Dahler D.D.S. all surgical and/or medical benefits, if any, otherwise payable to me for services rendered.

I also verify that all the information contained on these information sheets is true and correct, to the best of my knowledge and belief. I authorize Bryan Dahler D.D.S. to release my complete records to my insurance company in order to process my claim and for any other physicians or medical facilities that may be pertinent and necessary to care and treatment.
